

TRIMLINE™ SURFACE-MOUNTED HAND DRYER ACCESSIBILITY COMPLIANCE WITH STYLE

Quiet. Convenient. Low-profile. Efficient. Stylish. Compliant.

Two new warm-air hand dryers from Bobrick offer everything you want in a hand dryer.

Dual Parallax Air Flow delivers a broad warm-air pattern for fast, effective hand drying, at a moderate 73 dBA sound level.

The elimination of paper towels, combined with the energy-efficiency of these models can reduce hand drying costs by up to 95%.

For more information, contact: international@bobrick.com or visit www.bobrick.co.uk.

Patented Dual Parallax air flow technology.

100mm depth is both contemporary and meets barrier-free standards.

Available in white (B-7120) or stainless steel (B-7128) with complementary black trim.
